37 ' Trojan 1985

Below deck, the interior is a blend of curved bulkheads, indirect lighting, and off-white laminates, what Trojan marketing gurus called a Eurostyle decor. This interior, however, there's no mid stateroom (a standard feature in most modern sport boats), and the L-shaped galley extends far into the salon. On deck, the bi-level cockpit is arranged with L-shaped lounge seating forward and bench seating aft. A bow pulpit, radar arch and swim platform are standard. Twin 350hp gas engines cruise at 18 knots (26/27 knots top).
